The official email newsletter of the PTO in North America

Extra Feb 2006

**SPONSORS**

This special, extra edition of PROFINEWS is **devoted to the new PTO website**. Read all about the new features and functions of the new version of [www.us.profibus.com](http://www.us.profibus.com).

**SUMMARY OF CONTENTS**

**PTO ANNOUNCES REDESIGNED WEBSITE:** The PTO has launched its redesigned website with easier access to news, free training class information and registration, and much more. Visit [www.us.profibus.com](http://www.us.profibus.com) to see

- [free training schedule and registration](#)
- [news](#)
- [member news](#)
- [new product releases](#)
- [member profiles](#)
- [results that can be achieved using PROFIBUS and PROFINET](#)
- [explanations of PROFIBUS and PROFINET](#)

**NEW PTO WEBSITE**

- Up-to-date training schedule
- More news
- New Product Info
- Member Profiles
- WIIFM?  
(What's in it for me?)
- What is PROFIBUS?
- RSS feeds available

The screenshot shows the PTO website interface. At the top, there are logos for PTO, PROFIBUS, and COMMUNICATE. Below the navigation bar, the main content area features a 'Training' section with a '1 Day Training' button and a 'Certified Training' section. A large article titled 'The PTO - connecting North American industry to the world's most popular fieldbus' is visible. To the right, there is a 'Member Registration' form with fields for First Name, Last Name, Email, and a 'Subscribe Now' button. The bottom of the page includes a 'Sponsors' section with logos for ProSoft, softing, SIEMENS, and VISHAY.

Is it wireless?

---

**FREE TRAINING SCHEDULE:** Classes continue to be added to the schedule. Monitor the website to see the latest additions. For example, we just added a new process class in San Juan, Puerto Rico and finalized the date and location for the PROFINET class in Nashville. Get more information and register online. *Click the **Training** menu.*

[back to top](#)

---

**NEWS:** The latest PROFIBUS and PROFINET community news and news from members is "front page news" on the new [www.us.profibus.com](http://www.us.profibus.com). Use our new RSS news feed to be kept up to date automatically! *Read the news on the front page or click **News**. Click **RSS** on the bottom menu for the RSS choices.*

[back to top](#)

---

**LOOKING FOR SOURCES FOR PROFIBUS AND PROFINET PRODUCTS?:** Visit the member list and click over to the product catalog, too. *Click **Members** or **Products**.*

[back to top](#)

**WIIFM?:** What's In It For Me?

Are you a Plant Manager?

Maintainer?

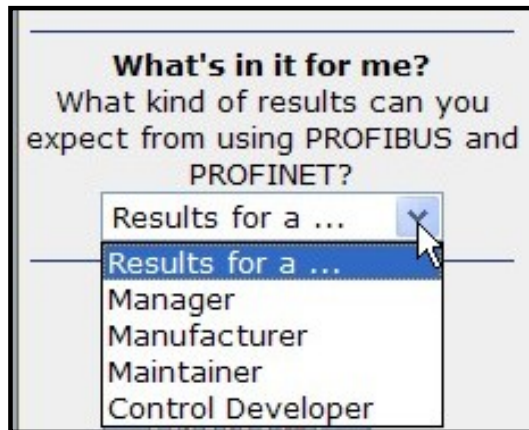

Manufacturer?

Control Developer?

Discover the results you will see by using PROFIBUS and PROFINET in each of these disciplines at [www.us.profibus.com](http://www.us.profibus.com).

*Click the **Results for a ...** dropdown in the left-hand column.*

[back to top](#)

---

**WHAT IS PROFIBUS ANYWAY?:** Find the explanation at the new [www.us.profibus.com](http://www.us.profibus.com). And for PROFINET, too.

Click on the appropriate logo in the left-hand column.
